Information for February 2021

Drop off and Pick Up Arrangements

The arrangements for Parents and Carers to drop off and collect children requires careful consideration, to ensure that large gatherings of people are avoided and physical distancing between adults and children of different groupings is maintained.

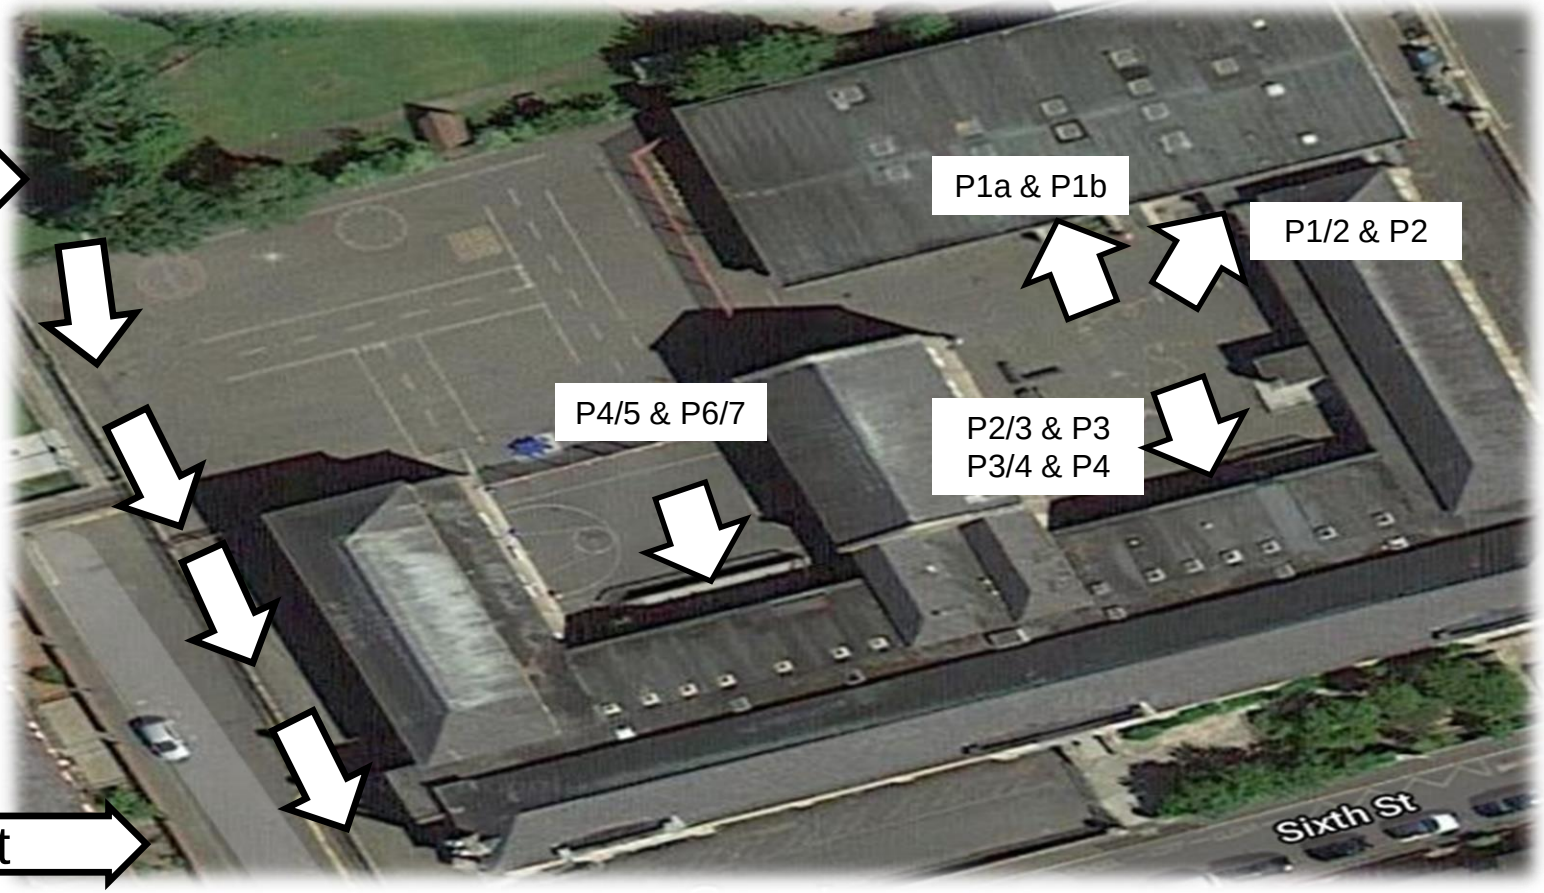
- Arrive at school as close to your child's start time/ pick up time, spending as little time in the playground as possible and avoid gathering with other households. The school gates will open 5 minutes before children are due in school.
- Please follow the one-way system.
- Only **ONE** parent or carer brings their child to school.
- Please keep playground access points clear so children can make their way safely to their lines.
- Adults and carers wear face-coverings whilst in the playground.
- Adults and carers must socially distance from all adults and children out with your household and please don't spend time chatting to each other in the playground.
- **During this time, we request that parents and carers do not wait in the playground between the two start times and two pick up times. We appreciate this is not ideal for some families but we need to do, at this time, to ensure the safety of everyone in our school community.**
- Please remember staff are in the playground to support with drop off and pick times so parents and carers do not need to wait until their child goes into class.

Introduction of our temporary One Way System and Class Entry Points

Entrance

One Way System
Please enter by the park gate and exit by the car park onto Sixth Street.

Exit



N.B. Please support your child to be mindful of parked cars as you leave the car park.
