

P5 and 4/5 Home Learning Activities

Week beginning:	Week1				
Health and Wellbeing	Keep active and healthy- make sure you go for a walk if you can. Why not make a list of 10 things to spot or use mine	<u>Mindfulness</u> These activities look like fun. Have a go at some yourself to help you to relax. https://artfulparent.com/easy-zentangle-for-kids-and-adults/	Participate in some daily yoga, mindfulness and relaxation click here	Organise a chill-out afternoon in your house Play some relaxing music, try some of your yoga or mindfulness techniques. What helps you to chill out?	<u>Focus and Concentration</u> Can you spell words whilst throwing and catching a ball between you and a family member? Challenge: Can you keep score?
Literacy	Daily reading Keep a reading diary. (see format to use)	Spelling Practice your spelling using Sum Dog. Log in as normal, but select spelling instead of maths when you start.	Listening and Talking How Effective are your listening skills? Try this quiz https://www.educationquizzes.com/ks2/personal-social-and-health-education/listening-skills/	Reflective Reading Task Mat Try and complete an activity every day. General 'TV show' task mat from shared drive	Writing activity Now that I know... We've been in lockdown before. What have you learned? What helps you to cope? Make yourself a helpful poster as a reminder.
Numeracy	Sum Dog Play a maths game every day on Sum Dog for 15 mins	Challenge Yourself with these Addition activities. remember to only need to try one column – although you can try more if you like,	Have a look at the worksheet at the bottom of the page. Challenge yourself to try neutral, earth or live. (Remember < means less than and > means more than).	Problem Solving – this game is called Dress the dog! https://resources.hwb.wales.gov.uk/VTC/2008-09/maths/puppies/FullRelease-v104/puppyClothes-en.html	Try these money games on Topmarks https://www.topmarks.co.uk/maths-games/7-11-years/money
Learning Across the Curriculum	<u>Oceans</u> <u>Plastic Pollution Poster</u> Research and design a persuasive poster on plastic pollution and how this has an impact on our oceans.	Art - Create your own Superhero comic strip here. You could base your superhero on somebody you know who has gone above and beyond during lockdown. https://www.culturestreet.org.uk/activities/superactioncomicmaker/	Science Enquiry Skills https://www.youtube.com/watch?v=Sc65XpSgBsM	Technologies https://beinternetawesome.withgoogle.com/en_uk/interland Here's a fun way to learn about internet safety. Work your way through the different worlds. What internet safety skills you learn.	French Practise your French skills by learning the words for family members using this PP. Create a picture of the people in your family and label them with the French words. https://docs.google.com/presentation/d/1Ae_iWjeuZacmw2Q0d5vS_APhJPvsNx9Y_HZzpKzb7FM/edit?usp=sharing

MORNING SPARK

Compare and order numbers with up to 4 digits...

Neutral	Earth	Live
Write the numbers from smallest to largest.	Use < or > to complete the sentences.	Write the numbers from smallest to largest.
73, 82, 14, 27, 94, 53	731 824	4282, 7327, 1471, 4392, 8314
83, 47, 41, 95, 22, 17	268 146	625, 7341, 9635, 8421, 6373,
63, 74, 31, 78, 93, 65	936 538	9653, 8265, 2562, 8426, 8736,
85, 36, 86, 25, 51, 73	129 463	Use < or > to complete the sentences.
24, 42, 85, 27, 85, 71	295 953	8342 2578
76, 16, 82, 14, 93, 46	784 256	4827 3468
	8434 8562	3637 3691
