

Our Ref:

Dear Parent and Carers,

Welcome to this term's 'Class Newsletter', where information specific to the learning happening in your child's class is shared with you, helping us all to work together to achieve the best for our children.

Primary 4/5 and P5 – Term 3

We are learning:

Health and Well Being <ul style="list-style-type: none"> Identifying our own strengths and celebrating our own successes. Develop an understanding of the importance of respecting and valuing ourselves through our building resilience programme. Take part in PE and playing games co-operatively. 	Literacy <ul style="list-style-type: none"> Continue to develop our reading skills using Reflective Reading. Develop our writing using Talk for Writing and exploring more non-fiction texts. Studying and learning Scots poems and presenting these to the class. Developing our listening and talking skills with a focus on debates and constructing a balanced argument. 	Numeracy and Mathematics <ul style="list-style-type: none"> Continuing to build on numeracy skills using the four operations (+, -, ×, ÷). Build on knowledge of fractions and decimals and begin to apply our knowledge to related questions. Explore our knowledge of time using digital and analogue clocks and 12h and 24h times.
---	--	---

Ethos and Wider Life of the School <ul style="list-style-type: none"> Celebrate achievements. Participate in Class Council meetings. Represent their class in Decision Making Groups Buddy reading with P1 and P2 		Opportunities for Wider Achievement <p>It is helpful if you keep us informed about achievements outside of school. We will send home wider achievement forms termly for you to complete and return to school.</p>
--	---	---

Learning across the Curriculum <ul style="list-style-type: none"> In Term 3 our context for learning will be "Inventors". We will be looking at different inventions and inventors over time and how they have changed our lives and society. We will also be working in small groups to have a go at our very own 'Dragon's Den'. We will design and create our own inventions and present these to our 'Dragons' in our groups. 	Discrete Subjects <ul style="list-style-type: none"> Work together to design a product that solves a problem and fulfils a design brief. To continue to develop our understanding and independence when using google workspace. To continue to develop our knowledge of French and gain confidence when speaking out loud.
