Pupil Voice

Pupil Definition

Pupil Voice at Newtongrange means that everyone's voice is heard and that our ideas, opinions and feedback are listened to.

(Article 13 and Article 12)

We make decisions about what and how we learn.
We can help to make positive changes to our school and our community.

Pupil Voice and Learner Participation at Newtongrange

Aspiration

Pupil Voice is an integral part of learning and teaching and school ethos. A shared understanding of pupil voice is understood and acted upon by all of the school community. Pupil voice is apparent at all levels - classrooms, reporting, decision making, school improvement planning. Pupils understand and can give examples of how they share their ideas and thoughts and can give examples of how these have supported in school development.

12 I have the right to be listened to, and taken seriously
When adults are making decisions that affect me, I have a right to say what I think and be listened to.
I have a right for my views to help inform decisions about what happens to me, at home, in school, in my community and in my country.
Adults should support me so that I can give my views in a way that is best for me to do so.

13 I have the right to find out and share information
This includes the freedom to find, get and share information of all kinds.
I can do this by talking, by writing, by creating art or whatever I choose.
I can do this as long as the information is not damaging to myself or others.

Our goal this year is to plan an exciting World Book Day, improve our school library and get everyone enjoying reading!

Classes have created lovely library spaces

Pupil Voice - Rights Ambassadors

P6HB are excited to be working with P1M this year as Rights Ambassadors.

Our mission is to ensure all learners at Newtongrange know their rights and are free to enjoy them every day.

We are going to work with Community Explorers to help make a Charter for other community groups, including NG library.

P2 are working hard to develop strong links with our community. We are going to look at different places within Newtongrange and find out how they support different groups of people within the community. We will find out how they support the UNCRC.

We are planning to show everyone in our community the changes that have been made to our school garden.

Ambassadors

P4B and P6W are excited to be bringing a number of different activities to Newtongrange through our partnerships third parties and Active Schools.

We have also been creating advent calendars on keeping fit throughout December and will be working on a calendar for getting fit in January :-)

We will be looking to try and obtain our gold School Sports Award this year also!
